PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of All-Outdoors, Inc., dba All-Outdoors Whitewater Rafting, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "AO"), I hereby agree to release, indemnify, and discharge AO, as well as the State of California and any other governmental agency, Pacific Gas & Electric Company, Placer County Water Agency, Sacramento Municipal Utility District or other water resource entity, and their agents, employees and representatives (hereinafter collectively referred to as "Agencies") on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that my participation in whitewater river rafting entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

2. I acknowledge that I have read and understood the current AO materials, its policies stated and its description of the degree of difficulty of the river I have selected. I acknowledge that in abnormally high or low flows the river may be more or less difficult than described in the AO materials under normal conditions. I acknowledge that I am familiar with the skills required to participate in a raft trip on the river I have selected and given its degree of difficulty at present river flow. I recognize the strenuous aspects of this activity and that it may involve swimming through swift currents and dangerous rapids. I hereby attest that I am capable of participating in this activity and have no physical limitations that would affect my participation. I acknowledge I should be able to swim.

The risks include the following, among other risks: When encountering whitewater rapids, I can be jolted, jarred, bounced, thrown to and fro and shaken about during rides through some of these rapids. It is possible that I could be injured if I come in contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft. Rafts could turn over or I could be "washed" overboard. I can slip or fall during a hike, resulting in damage to equipment or personal injury. Accidents can occur while getting on and off the raft. Rafts are slippery when wet. Exposure to the natural elements can be uncomfortable and/or harmful. I am aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, and heat cramps. Also prolonged exposure to cold water can result in hypothermia and in extreme cases death and accidental drowning are possibilities.

Furthermore, AO employees have difficult jobs to perform. I agree to accept their judgement and to follow their instructions and safety procedures. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather, the elements or the terrain. They may give inadequate warnings or instructions and the equipment being used might malfunction.

3. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

4. I expressly agree that I am not now, and promise not to become, intoxicated through alcohol or drugs and thereby impair my safety or the safety of others.

5. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless AO and Agencies from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of AO's equipment or facilities, including any such claims which allege negligent acts or omissions of AO or Agencies.

6. Should AO, Agencies, or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

7. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

8. In the event that I file a lawsuit against AO or Agencies, I agree to do so solely in Contra Costa County, State of California, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against AO and Agencies on the basis of any claim from which I have released them herein. I give permission for photos of me taken at All-Outdoors activities to be used in All-Outdoors publicity.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
