

PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of All-Outdoors, Inc., DBA All-Outdoors California Whitewater Rafting, the State of California, Department of Parks and Recreation, US Bureau of Reclamation, any other governmental agency, Pacific Gas & Electric Company, Placer County Water Agency, Sacramento Municipal Utility District, other water resource entities, and their agents, owners, officers, volunteers, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "AO"), I hereby agree to release, indemnify, and discharge AO, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that my participation in guided whitewater rafting and river rafting activities entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: slipping and falling; accidental drowning; whitewater rapids will be encountered; collision with fixed or moveable objects or other watercraft; being jolted, jarred, bounced, and shaken during rides; contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft; "washed" overboard resulting in having to swim rapids risking collision with rocks and entanglement in trees; damage to equipment or personal injury; exposure to temperature and weather extremes which could cause cold water shock, hypothermia, hyperthermia (heat related illnesses), heat exhaustion, sunburn, dehydration; exposure to sun, strong wind, cold, storms, large waves, eddies, whirlpools, and lightning; exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; transmissible pathogen or disease; equipment failure; improper lifting or carrying; travel in remote areas with poor or no access to emergency and/or medical services; my own physical condition, and the physical exertion associated with this activity.

Furthermore, AO personnel have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks. Additionally, I agree to wear a U.S. Coast Guard approved personal flotation device (life jacket) while participating in this activity.
3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless AO from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of AO's equipment or facilities, **including any such claims which allege negligent acts or omissions of AO.**
4. Should AO or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.
6. In the event that I file a lawsuit against AO, I agree to do so solely in the state of California, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect.
7. The undersigned waives the protection afforded by any statute or law in jurisdiction whose purpose, substance, cause and/or effect is to provide that a general release shall not extend to claims, material or otherwise, which the person giving the release does not know or suspect to exist at the time of executing this release. This means, in part, that the undersigned is releasing unknown future claims and specifically waives the provisions of California Civil Code Section 1542 which provides: A general release does not extend to claims that the creditor or releasing party does not know or suspect exist in his or her favor at the time of the executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against AO and agencies on the basis of any claim from which I have released them herein. I also agree that this document is valid for subsequent visits and participation at AO. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
